Moccasin Creek Junior Progressive Golf System

The Junior Progressive Golf System is a great way to introduce a new golfer to the game. It is fun and simple to use the System. And it gives golfers and kids goals that are fun to achieve. Best of all, as juniors progress through the system they will receive colored tape corresponding to the level they have achieved to put on their bag stand. Just bring in the completed scorecard to the Golf Shop. Remember to have the junior sign it - make them responsible and proud of their accomplishment.
