ESSAY:

Thank you for applying for the Dean Shortridge Scholarship Application. As a part of the application process we require at least a one page essay, but not more than two pages. The topic of this essay is the history of your participation and accomplishments in golf. Conclude your essay by responding to the following statement: "Golf is a great game! Describe what effect golf has had on you since your exposure to the game." This section will be given high priority in determining recipients. Please highlight the following areas in your essay:

- * Participation in SDGA Junior golf events
- * Participation in SDGA championships
- * Honors at your home course or club
- * High School honors
- * Participation in the First Tee at Moccasin Creek & Lee Park, the Aberdeen PGA Junior Golf League, local junior golf programs and events – what did you learn?
- * Any other information you would like the committee to know about you including awards, honors, clubs, volunteer work, job experience, etc.
- * Future plans in golf
- * High School competition
- * Local tournament competition
- * Other tournament competition
- * Any other golf accomplishments

A selection committee will determine scholarship winners. Participation in the First Tee at Moccasin Creek & Lee Park, the Aberdeen PGA Junior Golf League, and local junior golf programs and events will be given high priority. In addition, winners will be determined by participation in local high school, club, and state level golf, high school academic achievement, and participation in other high school and community activities not related to golf, as well as leadership qualities such as honesty, integrity, and sportsmanship.

Signature needed by one (1) of the following: Club Professional, manager or other golf course official
